Attitude Towards Tax Planning and Level of Risk

Brenntag UK manages risks to ensure compliance with legal requirements in a manner which ensures payment of the right amount of tax. The Group's attitude towards tax planning is consistent with the 'Tax Principles' adopted and which are set out below.

When entering into commercial transactions, Brenntag UK seeks to take advantage of available tax incentives, reliefs and exemptions in line with, and in the spirit of, tax legislation. The Group does not undertake tax planning unrelated to such commercial transactions.

The level of risk which Brenntag UK accepts in relation to UK taxation is consistent with its overall objective of achieving certainty in the Group's tax affairs. At all times Brenntag UK seeks to comply fully with its regulatory and other obligations and to act in a way which upholds its reputation as a responsible corporate citizen. In relation to any specific issue or transaction, the Executive Board is ultimately responsible for identifying the risks, including tax risks, which need to be addressed and for determining what actions should be taken to manage those risks, having given regard to the materiality of the amounts and obligations in question.

Relationship with HMRC

Brenntag UK seeks to have a transparent and constructive relationship with HMRC through regular meetings and communication in respect of developments in Brenntag UK's business, current, future and retrospective tax risks, and interpretation of the law in relation to all relevant taxes.

The Group ensures that HMRC is kept aware of significant transactions and changes in the business and seeks to discuss any tax issues arising at an early stage. When submitting tax computations and returns to HMRC, Brenntag UK discloses all relevant facts and identifies any transactions or issues where it considers that there is potential for the tax treatment to be uncertain.

Any inadvertent errors in submissions made to HMRC are fully disclosed as soon as reasonably practicable after they are identified.

In all of the Group's dealings with HMRC, our approach is to be open and proactive in raising any significant issues or uncertainties. Brenntag UK has a designated Customer Relationship Manager with whom regular dialogue takes place.
