

Subject: Important update – Change to the naming of Multisol-named entities in UK and France

Dear Valued Business Partner,

As you know, the Multisol companies have been part of the Brenntag Group since 2011.

The Multisol names have been maintained over the years to recognise the brand value in some local markets, but our customers, suppliers and business partners know very well that we are part of Brenntag. Accordingly, we are pleased to inform you that the Multisol entities in UK and France will now become Brenntag branded. This will enable us to present a coordinated message globally to our customers and principals. Beginning 1st September 2026 in France and 1st October 2026 in the UK, the current legal entities will change to operate under the brand of *Brenntag Specialties Lubricants*.

In order to update your systems with our name change, the new company names are as follows:

- Multisol Limited is now called - **Brenntag Specialties Lubricants UK Ltd.**
- Multisol Europe Limited is now called - **Brenntag Specialties Lubricants Europe Ltd.**

This marks a critical point in our integration, ensuring clarity and consistency for you as our business partner.

Please note, all other details including our registered offices, company numbers, VAT numbers etc. will **remain the same. Therefore, any existing contractual agreements with you will remain fully active and require no formal amendment.** For your convenience, our full company identifications are:
